VACCINE COST AND BILLING INFORMATION

The MCV vaccine alone costs $147. The Tdap vaccine alone costs $64. The MCV and Tdap vaccines cost $200 if given on the same day.

Children who have no insurance, Medicaid, or Health Choice receive these vaccines at no cost. Many private insurance carriers cover vaccines at 100%.

If your child has insurance coverage through Blue Cross Blue Shield or Cigna, we can file a claim on your behalf for these vaccinations. **Your signature authorizes Transylvania Public Health to release information necessary for the processing of any claim for payment. You will receive an invoice for the amount not covered by insurance.**

If you have a different private insurance carrier, we will accept payment via check made payable to Transylvania Public Health or by contacting us at 828-884-3135 and asking to arrange for pre-payment of the school MCV/Tdap vaccine. Payment must be received before the vaccine(s) can be given to your child. We will provide a receipt for you to claim reimbursement from your insurance carrier. *Please note other insurance carriers consider Transylvania Public Health to be an out-of-network provider.*

☐ This child is American Indian or Alaskan Native *(This information is required for insurance billing and federal funding purposes. It will not prevent your child from receiving vaccines through this program and will not be shared with anyone.)*
